Height	71mm

Product description

Care product for rabbits

Fragrance oil for rabbits

GreenBunny BunnyGuard is a skin-care fragrance oil, which masks the inherent odor of the animal. The animal is no longer perceived by insects and nuisances as an animal and thus no longer as an attractive host worth infesting.

Composition: rapeseed oil, jojoba oil, lavender oil, manuka oil, geranium oil

Application recommendation: Only massage 1 drop from your wetted finger into the skin between the shoulder blades 2 x per week. 1 drop corresponds to approx. 50 mg.

Contains geraniol. May produce an allergic reaction.
