For needs-based feeding of dogs and cats and for the daily supply of minerals, trace elements and vitamins

Product number	4313
Weight	1kg
Length	99mm
Width	99mm
Height	222mm

Product description

Fit-BARF MicroMineral contains 100% purely natural ingredients, which are rich in natural, easily available micronutrients, such as minerals, trace elements, vitamins, etc. Due to their plant origin, the detoxification organs are not further burdened, which allows an optimal, natural micronutrient supply of calcium, magnesium, a whole complex of vital trace elements and alginates thus.

Special attention should be paid to an optimal micronutrient supply:

- in growth
- in fur changing
- in training and competition use
- in breeding
- at stress
- at problems with fur and skin
- at older animals

at metabolism problems and allergies

Possible consequences of nutrient deficiency:

problems with the fur change
 flaky skin
 dull fur
 developmental delay
 degeneration of bones and joints
 weakened immune system
 early signs of aging
 susceptibility to stress
 birth difficulties

Product properties

Phase of life	Seniors, Adults, Juniors
