Natural fiber - for the slim line and a balanced intestinal flora - also suitable for dogs that do not get full

Product number	1677
Weight	2kg
Length	200mm
Width	200mm
Height	205mm

Product description

Fibers are a component of plant foods and increases the volume of food without significantly increasing the energy content at the same time. Their high swelling capacity binds liquid in the stomach and creates a feeling of satiety. Fibers prolong the time spent in the stomach. When passing into the intestine, the high-fiber food pulp stimulates peristalsis due to its volume. The fibers contained in Repletion Mix are used by the intestinal bacteria of the large intestine mucosa as nutrition for their mucosal cells and provide a positive intestinal flora. The ingredients contained in Repletion Mix boost the metabolism and contribute to more vitality by regulating the acid-base balance.

- highly satiating
- natural fibers
- prebiotic - strengthens the intestinal flora
- improves the consistency of feces

Product properties

Composition	Seaweed meal, Peat, Brewer's yeast, Grape seed flour, Sunflower, Parsnip, Apple, Carrot, Flax, Psyllium, Algae, Zucchini, Pumpkin, Malt
Feed Profile	Grain-free, Feeding, Fiber, Weight problems, Active & Sport, BARF, Without additives, Gluten-free, Sugar-free, Leisure, Breeding
Phase of life	Seniors, Adults, Juniors
Product form	Pellets, Powders
Special Requirements	Constipation, Digestion
Animal categories	Dogs
Product type	Supplementary feed, Care & hygiene
