Product description

Hemp oil is considered one of the most valuable oils by its, among the plant oils, highest content of valuable essential fatty acids, especially omega-3 and -6. The content of quite rare γ -linolenic acid, vitamin E, minerals and triple unsaturated α -linolenic acid, which must be supplied through the food, because the animal organism cannot form them, makes the Singulares Organic Hemp Oil a valuable supplier, which should not be absent in any balanced diet.
