

Fit-BARF Repletion Mix 350 g | 350 g

High-quality natural feed additive for balanced and healthy feeding with raw meat and for a needs-based supply of important fibre

Product number	1640
Weight	0.35kg
Length	98mm
Width	98mm
Height	127mm

Product description

Fibers are a component of plant foods and increases the volume of food without significantly increasing the energy content at the same time. Their high swelling capacity binds liquid in the stomach and creates a feeling of satiety. Fibers prolong the time spent in the stomach. When passing into the intestine, the high-fiber food pulp stimulates peristalsis due to its volume. The fibers contained in Fit-BARF Repletion Mix are used by the intestinal bacteria of the large intestine mucosa as nutrition for their mucosal cells and provide a positive intestinal flora. The ingredients contained in Fit-BARF Repletion Mix boost the metabolism and contribute to more vitality by regulating the acid-base balance.

highly satiating
 natural fibers
 prebiotic - strengthens the intestinal flora
 improves the consistency of feces

Product properties

Composition	Seaweed meal, Peat, Brewer's yeast, Grape seed flour, Sunflower, Parsnip, Apple, Carrot, Flax, Psyllium, Algae, Zucchini, Pumpkin, Malt
Phase of life	Seniors, Adults, Juniors
Special Requirements	Health, Intestines, Stomach, Internal organs, Schmatzen, Digestion, Earth / Grass
Animal categories	Dogs
Feed Profile	Feeding, Weight problems, BARF, Diet & Light, Without additives, Vegetarian
Product form	Powders
Product type	Care & hygiene
