Product description

BioClean Intensive Cleaner Concentrate is a powerful all-purpose cleaner for removing stubborn dirt. Removes grease, oil, resin, wax, nicotine, pencil, ballpoint pen, felt-tip pen, ink, soot, insects, blood, egg white, tar stains, shoe polish, coffee, tea and wine stains. Universally applicable for cleaning surfaces and objects made of metal, stainless steel, iron, plastic, paint, wood, rubber, stone, ceramics and porcelain, glass, textiles, carpet, upholstered furniture and much more.

- can be used for cleaning in food processing plants
- removes the breeding ground for pathogens
- protects all surfaces (metals, lacquers, rubber, plastics)
- degreases materials of all kinds
- suitable for use with foam lance and high-pressure cleaner as well as for windshield wiper water systems
- for cleaning carpets and upholstered furniture, can also be used in wet extraction units
- ensures an economical use, as the cleaner can be diluted up to 1:40, depending on the type of application

Expert tip: In the case of stubborn stains on clothing, pre-treat the stains with **casaCare BioClean Intensive Cleaner Concentrate** undiluted, then wash as usual. Please test the compatibility of the agent on a concealed area beforehand.

Product properties
