Natural feed material for nutritional support of gastrointestinal activity. No additives and all-natural

Product number	1162
Weight	0.43kg
Length	99mm
Width	99mm
Height	222mm

Product description

Natural bog consists of organic matter from primordial plants. Its numerous humic acids, minerals, and trace elements make it an excellent supplementary feed. It supports the gastrointestinal activity in a natural way and can have a regulating effect on the production of excess gastric acid when fed regularly. In addition, it has a positive influence on feces and litter eating dogs.

Product properties
