Product description

The PLUS for the respiratory tractsOur valuable, gently produced black cumin press cake meets the decades proven HustaVet BreathMix.In contrast to other manufacturers, black cumin press cake still contains a portion of 16 - 17% of residual black cumin oil. This makes it particularly rich and is eaten with pleasure by horses. - Ideal support for autumn and winter months- Particularly suitable for respiratory-sensitive horses- Black cumin press cake from our own organic production- From premium seeds (Nigella sativa), original Egyptian organic cultivation
