Product description

Complementary feed (liquid) for dogs and cats

For the nutrition-related support in case of nervousness and before stressful situations

High demands in all areas of life, stress, and tension are frequent companions in everyday life. The nervous system is stressed many times, the emotional and physical resilience must be proven again and again. This upsets body and mind, makes unbalanced, and can cause nervousness. **Calma** can be a useful supplement to natural feeding in stressful situations.

Expert tip: For daily feeding of permanently stressed/nervous animals, **Nerve Food** is recommended.
