

Fit-BARF Mineral Cat 60 g | 60 g

High-quality bioavailable nutrient dispenser based on the proven MicroMineral with organic moringa, green-lipped mussel and peat

Product number	644
Weight	0.06kg
Length	45mm
Width	45mm
Height	68mm

Product description

Fit-BARF Mineral Cat has been developed for the daily basic supply of minerals and vital substances in all areas. The natural ingredients, which are rich in micronutrients such as minerals, trace elements, vitamins, humic acids, taurine and others, can prevent deficiency situations. Calcium intake plays a particularly important role when feeding raw meat. The New Zealand greenshell mussel (non-defatted mussel meat) is a natural source of taurine.

Due to the plant-based origin of the micronutrients, the detoxification organs are not further burdened. Fit-BARF Mineral Cat therefore provides an optimal, natural supply of micronutrients.

Excellent source of vitamins, minerals, and trace elements

Natural source of iron - can stimulate blood formation

Gastrointestinal regulation by humic acids

Cell protection through antioxidants

100% natural

Product properties

Composition	Seaweed meal, Peat, Brewer's yeast, Grape seed flour, Moringa, Green-lipped mussel, Eggshell, Algae, Malt
Phase of life	Seniors, Adults, Juniors
Special Requirements	Health, Minerals, Belching, Schmatzen, Digestion, Skin, Fur, Earth / Grass
Feed Profile	Minerals / trace elements, Feeding, BARF, Vitamins, Lactose-free, Without additives, Leisure, Breeding
Animal categories	Cats
Product type	Supplementary feed
Product form	Powders
