

OreganoVet Drinking Water 1 L | 1 l

Supports weight gain by stimulating feed intake and feed conversion. Also suitable for digestive sensitive crops

Product number	491
Weight	0.95kg
Length	88mm
Width	88mm
Height	230mm

Product description

A disturbed digestion paves the way for a variety of pathogenic microorganisms and endoparasites, which in turn can cause intestinal diseases. Natural digestive supporters stimulate bile juice and enzyme secretion so that digestion is optimized. OreganoVet Drinking Water contains digestive, essential oils as well as important essential fatty acids that can improve the intestinal flora and positively support digestion. Less harmful metabolites are produced, the feed is better utilized, and the immune system is strengthened.

Optimization of digestion
Increase of feed conversion and weight gain
Proven in chicken fattening

Product properties

Phase of life	Seniors, Adults, Juniors
Composition	Wine, Lemon
Special Requirements	Coli, Intestinal flora, Endoparasites, Intestines, Digestion, Refusal to feeding
Feed Profile	Feeding, Without additives
Product type	Supplementary feed
Product form	Liquid
Animal categories	Pigs, Poultry
