Product description

Blood circulation is a key factor in the operation of all body functions. Only where blood flows the body is able to heal itself. EquiGreen EquiMint provides the skin with nourishing and caring substances and aids the blood circulation, without making the skin brittle. EquiGreen EquiMint is particularly nourishing, refreshing and soothing. It absorbs quickly into the skin and leaves no residues on the coat.

Blood circulation is important:

- for bruises
- for the respiratory system
- for sore muscles
- for tensions
- for stressed joints
- for haematomas
- for the excretion of waste products
