

Mortellaro Clawspray 250ml | 250 ml

Natural care product with ionizing silver for intensive hoof trimming. Forms a hygienic, air-permeable protective barrier against pathogenic germs.

Product number	1011
Weight	0.25kg
Length	62mm
Width	62mm
Height	134mm

Product description

MortellaroVet Claw Spray forms a hygienic protective barrier on the skin surface, which massively makes it difficult for rotting manure, liquid manure and thus decaying germs such as mortar macaques to strain the skin/claw.

MortellaroVet Claw Spray can also be used in combination with dressings to care for problem areas. In addition, it counteracts the softening of the claws due to care.

Product properties

Phase of life	Seniors, Adults, Juniors
Feed Profile	Silicone-free, Probiotic, Oils & essential fatty acids, Without additives
Animal categories	Cows
Area of Application	External
Product type	Care & hygiene
Product form	Liquid
Special Requirements	Mortellaro, Musculoskeletal system
