Product description

Bach Flowers were developed in the 30s of the last century. To this freshly picked flowers were placed in a bowl with water, due to transmit their biophysical energy according to the cooking method or the sun method on the water. So you won 37 different plant extracts as well as an essence of spring water.

Bio-Bach Flowers contain no alcohol or sugar. In addition, not only the flower essences but also contained all the other ingredients are Bio certified . Unique is also the basis of Bio-Bach Fowers: through the use of high-quality Bio-Evening primrose oil is a new generation in terms of holistic quality.
